PULSE Medical Finance is an FDA Registered importer and the exclusive importer of LyfeMed® Medical Exam Gloves in North America.

Our gloves are a premium, non-latex, powder-free glove manufactured through a network of FDA Registered factories in Malaysia. These are the same factories that produce many of the top selling and higher priced glove brands today.

LyfeMed® gloves are lightweight, ambidextrous, non-sterile, and feature a textured finish in a pleasant blue color. They are tested using the highest international protocol and conform to noted ASTM standards.
